

Thanksgiving meal at Lakeview will look very different this year. We are so glad that we are offering the community the opportunity to participate, even if it isn't in person. These meals will be PRE-PAY ONLY, NO EXCEPTIONS. If you are picking up pre-paid meals and/or students this day, you will only be able to pick up at the assigned time. If you have students in different assigned times, sign up for the earlier time. For example, if you have a 2nd and a 4th grader, sign up for the time assigned to the 2nd grader. Dismissal will be handled as car rider pick up on the office side of the school. You will pull up to the meal distributors, give them your name, and the names of the students you are taking with you. If you come earlier than the assigned time, you will be asked to move to a parking spot. Your meals will not be outside for pick up earlier than the assigned time.

The price for a take-out meal is \$6.00. Lakeview student meals are still free of charge. Please make checks payable to LAKEVIEW CAFETERIA.
